SPECIFIC INFORMATION:

DESCRIPTION OF PROPERTY: A portion of Southeast Community College was previously annexed into the City. This request brings an additional portion of the college into the city limits.

UTILITIES & SERVICES: This area is identified in Tier 1, Priority A of the Comprehensive Plan.

- C. **Roads:** The area of request is served by internal local roads for the community college.
- D. **Parks and Trails:** There are no parks or trails through this site. A trail is located on O Street and extends north and east along N. 98th Street and through the adjacent proposed subdivision, Waterford Estates.

ANALYSIS:

- 1. Annexation policy:
 - ! Land which is remote from the limits of the City of Lincoln will not be annexed; land which is contiguous and generally urban in character may be annexed; and land which is engulfed by the City should be annexed.
 - ! Annexation generally implies the opportunity to access all City services. Voluntary annexation agreements may limit or otherwise outline the phasing, timing or installation of utility services (i.e., water, sanitary sewer) and may include specific or general plans for the private financing of improvements to the infrastructure supporting or contributing to the land uses in the annexed area.
 - ! Plans for the provision of services within the areas considered for annexation should be carefully coordinated with the Capital Improvements Program of the city and the county."
- 2. This request meets the annexation policy of the Comprehensive Plan.
- 3. This is a request to annex approximately 90 acres west of the proposed Waterford Estates preliminary plat. Through the negotiations of the Waterford Estates preliminary plat and annexation, staff determined the most efficient way to bring the city limits contiguous to the Waterford Estates project was by annexing a portion of the

Southeast Community College property. The proposed annexation does not include all of the SCC property, primarily because the city does not want to annex property along O Street due to risk of losing federal road funding. The proposed annexation does not impact SCC because they are already tax exempt.

4. To comply with annexation requirements it is necessary to annex land between the Waterford Estates preliminary plat and the existing City limits. The land owners in the Sunrise Estates area opposed annexation. To avoid annexing Sunrise Estates, the applicant proposed annexing a portion of the SCC land.
5. The request would annex a portion of the Southeast Community College property, which is primarily recreational facilities and associated buildings. A portion of their main building (used as gym space) is in the proposed annexation area.
6. The Public Works and Utilities Department indicated this area is within Tier 1, Priority A and services will be available to the area in the near future
7. The applicant indicated they discussed the annexation with SCC and they are supportive of the annexation request. A letter is attached.

RE: Annexation of a portion of Southeast Community College as part of the
Meginnis/SWR Investments Property Annexation

Dear Becky:

This letter is to acknowledge Southeast Community College's willingness to have the City of Lincoln annex a portion of its campus as generally shown on the enclosed annexation map. Kent Seacrest on behalf of Ridge Development Company, Southview, Inc., and Meginnis Farm Joint Venture (collectively "Developers"), has kept us abreast of the Waterford Estates development plans. We understand that the proposed annexation allows the first phase of Waterford Estates to be annexed, including the first phase of the area designated for an "employment center" in the Comprehensive Plan. The first phase annexation would not include any portion of Sunrise Estates neighborhood.

Please contact us if you have any questions or require additional information.

Sincerely,

Jack J. Huck
President
